

Cédric Charrier

16.05.2005 — FRANÇAIS

PROGRAMMING STUDENT

Bilingual student, passionate about transmission, I've been teaching the basics of video game development to middle and highschoolers for 3 years, using a playful approach inherited from my experience.

PROJECTS & OPPORTUNITIES

Teacher at Digi Activity Teacher — 2024 - Aujourd'hui

I teach to students from 11 to 17 years old of levels from beginner to intermediate. In the form of week-long courses, or weekly session throughout the year.

Study semester in Montréal Game Designer / Game Programmer

Repeated use of preofessional english (written communication and spoken) on a daily basis for the second half of my second year of study.

Fast FPS - Full Plastic Shooter Lead Programmer

Video game development project of a Fast FPS in a 20 person team on a 4 months period. I had the opportunity to manage the programming team.
